##### Parking on Ladywell Road

At the beginning and end of the school day some parents are choosing to park across residents driveways in Ladywell Road. There have been several complaints recently with regards to this. Please choose a safe and responsible place to drop/collect your child. Blocking driveways is selfish and dangerous. The safety of all of our children must come first!

##### Water Bottles

Please ensure your child has a water bottle in school each day, particularly during this lovely warm spell. Children should have plain water in the bottle. They will be encouraged to drink from this throughout the day.

##### Modular Unit

As our roll continues to increase, next session we will have 14 classes. To accommodate all of our children a modular unit will be installed, giving us two classroom spaces. I am hoping that this work will be done throughout the summer holidays, ready for the new term beginning. I will keep you posted on any developments.

##### Reporting to Parents

End of year reports will be sent out to parents on Friday 15<sup>th</sup> June. After reading your child's report please complete and return the feedback sheet to his/her teacher.

##### Classes for 2018-1019

I am currently in the process of finalising classes and staffing for next session. I aim to communicate this information to all parents before the end of term.

As always, if you wish to discuss anything with regards to your child's education, please contact me at the school.
